

Help your local community.

Join Your Local Residents Association

Do you have someone who you can ask for help in case of an emergency?
You can help solve local issues together with people in your community.

How to join a Residents Association in your area:

If you wish to join your local Residents Association, please ask the head of the Association in your area or local group leader. Please ask your neighbors if you are not sure about how or which association you can join.

How to set up a Residents Association:

Some areas of Tsukuba City currently do not have any Residents Association. If you are living in an area which does not have a Residents Association and wish to set one up, we can assist you. Please feel free to consult us.

Please refer to Tsukuba City's official website for details.

Main activities of Residents Association

Activities to prevent disasters and crimes, as well as improving traffic safety so that the residents can feel safe and secure with peace of mind.

You never know when a major disaster, crime, or accident happens. Together, we can prepare better for an emergency.

- Checking out hazardous points in the area and share them with the residents.
- Traffic safety activities, including helping children cross the road safely.
- Checking out evacuation shelters and sharing their locations with local residents.
- Safety patrols.
- Activities carried out by a voluntary disaster prevention organization.
- Cleaning roadside curved mirrors.
- Training on disaster prevention and crime prevention.

Activities to provide local information.

Resident Associations provide local information related to daily lives.

- Distributing and circulating information about local administration.
- Contributing to local administrative services by providing responses to surveys and questionnaires.
- Issuing newsletters to inform local residents about activities of Residents Association.
- Summarizing local residents' requests, etc.

Activities to cleanup your local community.

Resident Associations work on initiatives to make green and sanitary living environments.

- Supervising garbage collection points
- Cleaning up roads and parks.
- Cleaning up and beautifying local areas.

Community activities for a healthy and happy lifestyle.

Get to know more people in your community and nurture physical and mental well-being.

- Cultural activities.
- Sports competition
- Recreation activities
- Annual events such as festivals.
- Volunteering
- Passing on traditional culture
