

# Please complete the Census.

- ◆ The Census is Japan's most important statistical survey, conducted nationwide every five years.
- ◆ Non-Japanese residents are also legally required to respond to the census.

## Census Process

### Step 1. You will receive the census form.

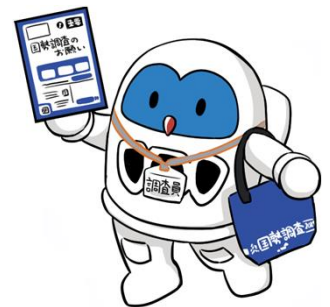

When: Between Saturday, September 20 and Tuesday, September 30

A census taker\* will visit your home to deliver the census form.

\*They will always carry their official census ID.

Envelope containing the census form
