

Cooperating Medical Institutions for Vaccinations(2026) As of July 21.2026

Appointment is required in advance.Please contact each medical institution about office hours and days they are closed.

・Routine vaccinations at medical institutions other than those on the list are available in Ibaraki Prefecture.(Except voluntary{optional}shots for Flu for Children,Munps for Adults)

・Please note that some medical institutions may change the contents of cooperation or discontinue cooperation in the middle of the fiscal year due to unavoidable circumstances. Please visit the Tsukuba City website for the latest information.
